

# Relieve interface pressure and budget pressure with Skil-Care's Econo-Gel Pad.

*Clinically-tested gel and foam design minimizes pressure and maximizes comfort. Cost effective, the Econo-Gel pad enables you to provide quality care without compromise.*

## Standard Econo-Gel Pad Pressure relief at a budget price

- Safety strap with buckle secure to chair to prevent cushion from slipping off seat (Note: Strap and buckle provided with cloth-covered models only. Vinyl-covered models have safety ties)
  - Available polyester cover reduces skin shear and removes for laundering
  - Incontinent-proof vinyl cover protects cushion against all fluids and wipes clean for easy care
  - High-density foam on top and bottom adds comfort and stability
  - Gel-pod distributes weight for pressure relief
- (Note: Two-tone cloth and vinyl covers serve as reminders to reposition resident.)

**New anti-slip bottom for added user safety.**

## Thin-Line™ Econo-Gel Pad Low-rise pressure relief at a budget price

All the features and benefits of the standard model in a low-profile cushion. Thin-Line Econo-Gel Pads provide low-rise seating that allows petite residents to reach the wheelchair footrests or floor in order to self-propel.

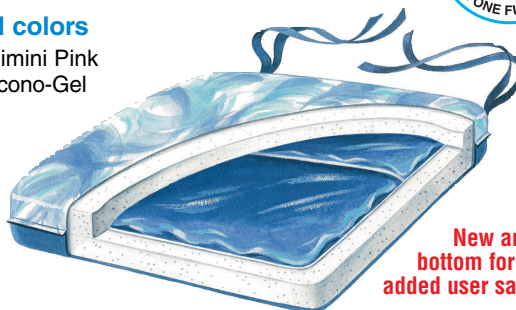

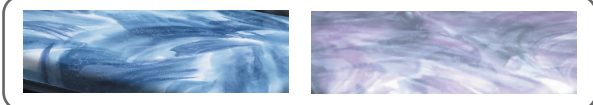

## Sittin' Pretty™ Econo-Gel Pad Pressure relief with cool colors

Pressure relief and comfort plus your choice of Bimini Blue or Bimini Pink covers. Sittin' Pretty models add a touch of color to the proven Econo-Gel Pad design. As durable as they are pretty, the heat-sealed vinyl covers are incontinent-proof and wipe clean for easy care.
