

# Protect sensitive skin against tears, cuts and abrasions with Skil-Care's

## Gerisleeves

Made from heavy-duty, breathable cotton-blend stockinet to maintain skin integrity on arms and legs.

- Protects legs, ankles, and heels against skin shear and abrasion
- Extra length covers calves
- Universal size –comfortably fits all patients

- Extra length protects arms above the elbows
- Thumbhole cutouts keep sleeves in place
- Protects IV and wound sites

New large/bariatric size offers skin protection plus nonrestrictive comfort.

Skil-Care's Geri-Sleeves are reusable, launderable, and available in pairs or in money-saving packs of 25 pairs.
